**Master in Technology and
Innovation Management (UTM)
and
Master in Management
of Technology (YU)**

**Let's
Study
@MJIIIT**

PROGRAMME DESCRIPTION

Boost your career with MJIIIT's unique two-year postgraduate Dual Degree Masters Program in Management of Technology and Innovation (UTM) and Master in Management of Technology (Yamaguchi University), where you'll spend one year at Malaysia-Japan International Institute of Technology (MJIIIT) in Malaysia, and another year at Yamaguchi University in Japan.

This dual-degree program is designed for professionals in the public and private sectors, particularly those in R&D, innovation, and commercialization roles. Gain cutting-edge skills in intellectual property management, innovation techniques, and data science and analytics. With expert faculty, a comprehensive curriculum, and a global network, this program equips you with the knowledge and connections to drive business growth and create a competitive advantage through RDIC and intellectual property. Enroll today and take the first step toward becoming a leader in technology and innovation.
